

Projektor

SHARP/ NEC PA1505UL

- No lamp replacement – up to 20,000 h maintenance free operation possible due to Laser Light Source.
- No filter service required – the enhanced sealed optical laser LCD engine allows a filter-free design, IP5X rated against dust ingress, reducing costs whilst maintaining brilliant brightness.
- Compact design – a large venue projector with a comparatively small footprint and light weight design.
- Impress with vivid colour & contrast – brilliant white and wide colour space with high dynamic contrast supporting HDR10 standard via HDMI interface.
- Incredible visualisation capabilities – with free tilt and portrait installation capability, unique geometric adjustment, picture in picture, tiling, 3D support and camera based blending/stacking.
